

Free Wireless Internet

LCC students can access the Internet on wireless devices from several areas on campus including: Learning Commons/Library, Student Center and Main Building. Here's how:

1. Locate the Wi-Fi network named LCC-iAccess on your mobile device.
2. Enter the network password: lccOpenWireless (The password is case-sensitive.)
3. Open an internet browser (Internet Explorer, Chrome, Firefox, Safari, etc.)
4. Agree to the online Acceptable Use Policy.

If the connection times out, to re-connect, only Step 4 is required. If you have problems, try resetting your mobile device network settings; then establish a new connection.
